

# Privacy Policy

## Introduction

This Privacy Policy governs the use of **Classic Big Keyboard**, developed by **Apps Technologies** ("The Application"). By using **Classic Big Keyboard**, you agree to the terms and conditions outlined in this Privacy Policy.

## Data Collection

We take your privacy very seriously. **Classic Big Keyboard NEVER collects any personal data such as credit card numbers or passwords.** The application learns your typing behavior to provide better word predictions and corrections.

The application uses Google Analytics to collect non-personally identifiable visitor information, including, but not limited to:

- The type of mobile device you use,
- Your mobile operating system,
- Your language preferences,
- Country and city location, and
- Information about how you interact with the application.

The data collected through Google Analytics helps us understand usage patterns and improve our services. This data is aggregated and anonymized to protect your privacy.

## Third-party Disclosure

We do not sell, trade, or otherwise transfer your Personally Identifiable Information to outside parties unless we provide you with advance notice or are required by law. However, **Classic Big Keyboard** may share non-personally identifiable visitor information with trusted third parties for the purposes of analytics, marketing, or similar uses.

## Keyboard Permissions

To provide the best user experience, **Classic Big Keyboard** may require access to specific device permissions, such as:

- Access to the keyboard service for text input,
- Optional microphone access for voice typing features (if enabled).

Please note: No sensitive or personal data, such as passwords or credit card information, is collected or stored by the application.

## Purchases

Any purchases made within **Classic Big Keyboard**, including in-app purchases or subscriptions, are

processed securely through the Google In-App Billing library managed by Google. You are not obligated to make any purchase to use **Classic Big Keyboard**.

Refunds for purchases, including those related to bugs, missing features, or expectations mismatch, are at our discretion and may be granted on a case-by-case basis.

### **Advertisements**

**Classic Big Keyboard** integrates advertisements from third-party ad platforms such as Google AdMob, Facebook Audience Network (Meta), AppLovin, and others. These advertisements may collect data such as:

- App usage patterns,
- App opens and session lengths, and
- User preferences to serve more relevant ads.

We are not responsible for the content of these advertisements or any consequences resulting from them. Ad platforms may use cookies and similar technologies to serve relevant ads based on your interactions with **Classic Big Keyboard** and other websites.

All data transferred for advertising purposes is done securely to protect your privacy.

### **Data Security**

We implement reasonable security measures to protect against unauthorized access, alteration, disclosure, or destruction of your personal information stored within **Classic Big Keyboard**. However, please be aware that no method of transmission over the internet or electronic storage is completely secure, and we cannot guarantee absolute security.

### **Children's Privacy**

**Classic Big Keyboard** is not directed to children under the age of 13, and we do not knowingly collect personal information from children. If we become aware that a child under the age of 13 has provided us with personal information, we will take steps to delete such information.

### **Changes to this Privacy Policy**

We reserve the right to update or modify this Privacy Policy at any time. Changes will be effective immediately upon posting on this page. Your continued use of **Classic Big Keyboard** after any such changes constitutes acceptance of the updated Privacy Policy. We encourage you to review this Privacy Policy periodically for any updates.
