Show notes for Episode 75

Welcome back to Lexis. This is episode 75 and it's a bumper edition. We pick up on a recent survey of teachers by Teacher Tapp about teachers' accents and run with it...

We talk to teacher, Arun Sharma about his experiences, we interview Alex Baratta, Amanda Cole and Rob Drummond and we discuss the survey results in more detail and cover some other stories about accents in the news.

Teacher Tapp's blog about this:
