

Hold on, hold on, hold on

This guy, dude, this guy just played me

This guy who I just outjungled, two games, super fucking hard, and then the one game he wins, he wants to start shit, he wants to talk big like he's a better fucking player

Bruh, the only thing you're better than me at, is fucking eating, that's it, that's the only thing you're better than me at, dude, that's the only thing you're better than me at

In life, you make less money, you're fucking uglier, I've seen your girlfriend, she's uglier too, like, you fucking, your worse at league, you fucking, you, you, went to a worse college, like, you just fucking failed in life, dude

Don't be upset cause you failed in life, dude, that's all I'm saying, that's all I'm saying
