

Privacy Policy

(Updated on Oct 10th, 2024)

This game is provided free of charge by LABATI DEV Please use it as it is. This page is used to inform visitors of our policies regarding the collection, use, and disclosure of personal information should someone decide to play this game.

If you choose to play this game, you agree to the collection and use of information in connection with this policy. The personal information we collect is used to provide and improve a better gaming experience. We will not use or share your information with anyone except as outlined in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, to which those terms and conditions are accessible unless otherwise defined in this Privacy Policy.

If you have any questions about any content of this Privacy Agreement or disagree with any part of it, please stop using this game.

1.COLLECTION OF YOUR INFORMATION

We may collect information about you in a variety of ways. The information we may collect via the Application depends on the content and materials you use, and includes:

- Personal Information

We will collect some information from users for the authentication of the withdrawal platform.

- Device Information

When you use our apps or services, we may collect your device information, such as the type of device you use, operating system, application version, your device ID, advertising ID, language, time zone and IP address, etc.

- Usage Data

When you use our apps or services, we may automatically collect information about how you interact with the Services, and your activities, such as crash data, and other data.

- Information we obtain from third parties

We may receive information about you from our third party service provider, who collects this information through our Services in accordance with their own privacy policies. A list of the third parties:

2. HOW WE USE YOUR PERSONAL DATA

Having accurate information about you permits us to provide you with a smooth, efficient, and customized experience. Specifically, we may use information collected about you via the Application to:

- Provide Our Services

We use your personal information to provide you with the Apps and any other services, purchases or requests in connection with the Services you request. This may include processing transactions, providing you with the requested features, customer service, etc.

- Send You Push Notifications

We may send push notifications for the changes of our services. You may try any new features in this way. This is to keep you updated about our services and new features. You can turn off notifications in the phone Settings.

- Provide Personalized Advertisements

We aim to provide personalized ads in our services using third-party advertising networks. However, if you are in the European Economic Area, Norway or Switzerland, some of our third-party advertising networks, will rely on your consent to process Personal Data in order to provide personalized advertising to you, therefore you will be asked whether you consent to the collection of your mobile device advertising identifier and IP address so that they can provide a personalized advertisement experience. To opt-out or withdraw your consent from receiving personalized advertisements, see the "Opt-out of targeted advertising" section below.

- Respond to Legal Proceedings and Other Obligations or Requirements Under Applicable Law.

3. HOW WE SHARE YOUR PERSONAL INFORMATION

We do not sell, rent or otherwise sell your personal information. However, in order to provide game services, we may share your information with the following third parties:

- Analytics and Advertising Partners

We may share anonymous game data with third-party partners for game performance analysis and targeted advertising.

- Legal requirements

We may share your information as required by applicable law, court order, or government agency.

4. YOUR RIGHTS

The applicable data protection laws give you certain specific rights in relation to the processing of personal data that concerns you.

Please note that not all these apply in all circumstances. However, you are always welcome to contact us with any request relating to processing of your personal data. Even where we are not obliged by law to comply with your request, we will try to accommodate your wishes.

- Access

You have the right to access personal data concerning you and certain information about how and why we are processing it;

Rectification – you have the right to have any inaccurate or incomplete personal data rectified without undue delay;

- Erasure

Sometimes called the ‘right to be forgotten’, in certain circumstances, you have the right to have personal data that concerns you erased without undue delay;

- Restriction

In certain circumstances, you have the right to have our processing of personal data concerning you restricted;

- Data portability

In certain limited circumstances, you have the right to receive any personal data about you that you provide to us in a structured, commonly used and machine-readable format and to transmit such data unhindered to another controller;

- Objection

In certain circumstances, you have the right to object to the processing of personal data carried out by us or on our behalf where it concerns you.

5. CHILDREN'S PRIVACY

These Services do not address anyone under the age of 18. I do not knowingly collect personally recognizable information from children under 18 years of age. In the case I discover that a child under 18 has provided me with personal information, I immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact me so that I will be capable of doing necessary actions.

6. CHANGES TO THIS PRIVACY POLICY

We encourage you to review the Privacy Policy from time to time for the latest information on our privacy practices. If we make any changes to the Privacy Policy, we will inform you of any changes by posting the new Privacy Policy on this page.

7. CONTACT US

If you have any questions about our Privacy Policy, please feel free to contact us at lillahadam676@gmail.com.
