### **4-8 grade Service Project**

-Collect notebooks, pencils, small backpacks, erasers, folders, stickers, construction paper, and party favors. St. Ambrose University will send 26 students to rural Panama in March to participate in a week-long brigade focused on education, community development, and healthcare services. We would like to collect essential school supplies that the SAU students can give to local students in Panama who often lack access to basic educational resources.

**Global Brigade** is an “international non-profit that uniquely implements a holistic model to meet a community’s health and economic goals.”

TK-3rd grade will choose other service projects for CSW.
