

Name: Shairi

Name meaning: 'song'

Nickname: Shai

Name pronunciation: (shy-ree)

Species: Lion - Panthera Leo

Gender: Female

Age: 5 months old

Pride: Used to Msitu Pride

Description: Orangey coloured main fur. Lighter orange underbelly/paws/inner ears. Black 'pridelander' nose. Dark brown tail tuft. Light blue eyes.

Personality: Shairi has always been a very happy little cub. She is often seen laughing at one thing or another. She quickly developed a close bond with her oldest half brother, Askari and her oldest half sister, Nuru. Shairi also loved her mother dearly and would often keep her company since all her cubs were off doing one thing or another.

Shairi hasn't been seen to have any faults as of yet, but being the age she is, she is frightened easily. However, she has stood up for her older sister Siasa once, showing she has some sort of courage.

Other: ---

History: Her birth was very easy for her mother, and Shairi has been a little spoilt being the new youngest addition. She had quite an easy life up until the incident.
