Directions:

2096 E Navajo Trail Drive - Get onto I-15 heading north. Go for 96 miles to Exit 109. Take Exit 109 into Beaver and travel north onto Main Street. In 2 miles turn right onto 200 N (UT 153 toward Beaver Canyon). Travel 2 miles (when you hit the horse track/golf course on your left) turn right onto E Navajo Trail. You will cross a little bridge and the road will have you turn a couple times. About ¼ mile after turning off the main road, you will take a right into a private drive that will take you up to the house. App. drive time 1 hour and 25 mins.

Fuel: If you would like to be reimbursed for your gas, please fill your tank up before you drive us and then refuel when you've finished driving us. Send your cost to Coach Holt for reimbursement and we'd be happy to pay you (it's the least we can do for your help!).
