Seventh Shot of Espresso (Year 5, Shot 7)

Date of Meeting

Preparing for this meeting

Reading:

- *Organic Outreach for Families* (Chapter 3) The Timing of the Spirit
- *Organic Outreach for Families* (Chapter 9) Lighthouse Homes

Prayer: Pray that God's Spirit would help you to intentionally infuse Organic Outreach into your home at all the right times and in all the right ways.

Personal Action: We want people to come to know Jesus, especially members of our family and those living near us in our neighborhoods. God's timing can be everything, but we must also be intentional to let the light of Jesus shine from our homes and from our lives in every way possible. Be prepared to share about how you are continuing to turn your home into a lighthouse.

Meeting Agenda

Meeting Focus and Learning Themes: In our time together we will be talking about our intentionality for our home to be a lighthouse right where we live.

Opening Prayer

- **Prayer Focus:** Pray that God's Spirit would guide and direct you to be turning your home into a lighthouse in every way possible.

Accountability

One Minute to Share It (The One-Degree Rule) *You will want to get in groups of two or three and use a one-minute timer in each group.*

- What is your ministry outreach temperature right now?
- What step(s) are you taking to raise your ministry outreach temperature this month?

Inspiration

- Have one person share a brief outreach story from their personal outreach or their area of ministry.

Learning

Teaching Theme: The timing of God's Spirit can be everything when it means someone coming to know Jesus as Savior.

Discussion:

- In what ways have you recognized the Holy Spirit's direction when it came to getting closer to a friend or family member and reaching out to them even though they did not yet have a walk of faith?

Teaching Theme: To be effective in reaching out to our friends, our families, and to those who live around us in our neighborhoods, we must continue to be intentional and to make sure that our home is shining brightly with the light of Jesus.

Discussion:

- Who is one family member that you want to know the Savior? How will you be reaching out to them?

Planning

Group Discussion and Collaboration

- Who is one neighbor that you want to know the Savior? How will you be reaching out to them? How can we be praying with you?

Closing Prayer: Pray together for...

- Pray that we would be sensitive to the leading of God's Spirit yet also intentional as we strive to make our homes lighthouses of His grace.

Preparation for next month's Shot of Espresso

Reading:

- *Organic Outreach for Ordinary People* (Chapter 9) Try Something
- *Organic Outreach for Ordinary People* (Chapter 13) Sharing Good News

Prayer: Pray that you would be more and more motivated to naturally share God's love to those around you and to also have the opportunity to share the Gospel message in an "Organic" way.

Personal Action - Reflect on personal outreach stories and experiences over the time that you have been growing in personal evangelism. Be prepared to share your favorite story and the most awkward one. Do the Organic Activity (Scattering Seeds) at the end of Chapter 13 in *Organic Outreach for Ordinary People* and be ready to share the Gospel presentation that you have chosen.
