

## Walkerston Homebush – Out and Back: Individual Time Trial

### Race Details

**Course:** Walkerston Homebush – Out and Back

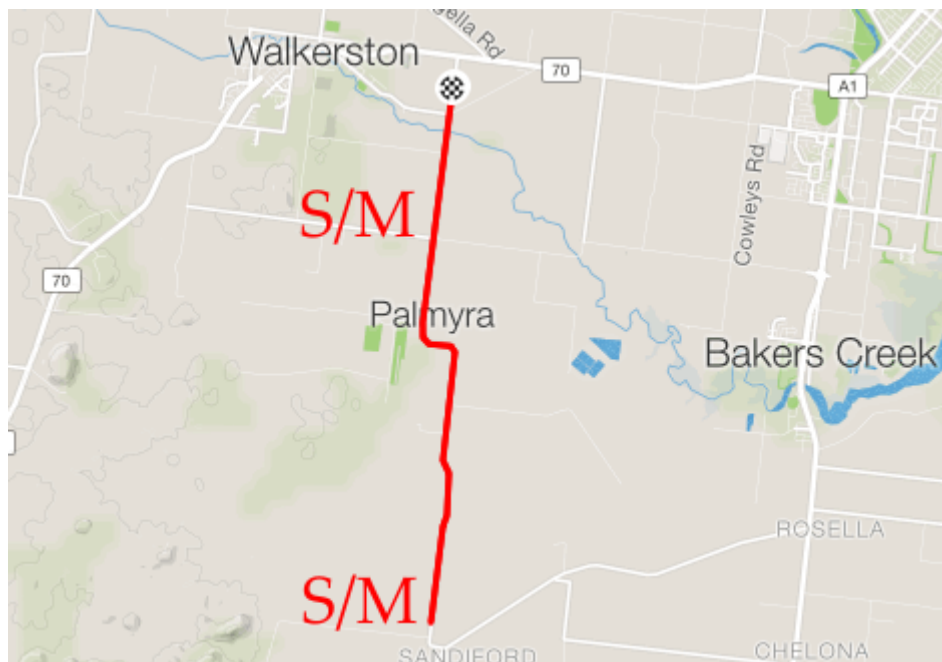

**Distance:** 20km | **Race Type:** Individual Time Trial

**Race Start Location:** Walkerston Homebush Road

### About this Race

This course is the traditional out and back course which has been used for many years for the race of truth. The course is pancake flat and often affected by a brutal head wind on the way out, and a comforting tailwind for the sail home. The turn around point is located at the end of the Walkerston Homebush Road. Fastest Time on this course was completed by Kyle Marwood in 2013, average speed of approximately 47km/hr in 25min 27sec.

### Course Information

**S – Sign required, M – Marshall required**

*Note: Marshalls will take a sign with them to their location and return it following the race*

### Start/Finish Line

*NOTE: There is an area near the startline in front of the shed which is a safe area off the road. DO NOT park near the train lines as cane hauling may be in progress and do not obstruct entry to the property where the startline is located*

**Turn Around Point**

*NOTE: Turn around located just past the last house on the right hand side of Walkerston Homebush Road*
