

Hi! This is ____ and I'm a volunteer with the Vermont Sierra Club chapter, I hope your day's going well. We're calling because you had indicated an interest in our new land conservation campaign we've recently launched to build community support in protecting our beautiful Vermont forests and we'd like your input. Would you like to hear more?

[pause briefly]

To hear from you and let you know about what we're up to, I'd like to have a one-on-one conversation with you virtually or in person. Is there a day and time that works for you?

SQ: Will you come to a one on one?

Yes / No / Maybe

[If yes, check if that time works for you and schedule]:

Great! That time works for me too, and would you like to meet up for a coffee or do a virtual call?

[make note of time and answer]

I'm really looking forward to talking to you on [repeat date/time/location].

[if no] That's ok!

Also, we're going to have a fun outing on January 27th. We're partnering with Fluidly Moving Body and the Millstone Trails Association for a **full-moon** snowshoe, ski, and hike in Websterville/Barre Vermont/ [Jan 27 at 7 pm](#) ([RSVP here](#)) and read on for more details) Does that sound interesting to you?

Survey Question: Are you interested in coming to outings?

Yes / No / Maybe

[If yes] Great, we're gonna have a good time! I'll send you a link where you can sign up and see more info about it. What's your email address?
