EQUIPMENT/FACILITY EXTENSION SERVICES

Program Brief:

The UP College of Pharmacy provides services on the use of the different available equipment and facilities in the laboratory and other pharmacy practice learning areas. The faculty and staff assist clients in the utilization of different laboratory equipment and facilities to conduct activities such as in the manufacture of dosage forms, extraction of natural products, and even for pharmacy practice skills demonstration.

Program Expected Outcomes:

The program aims to provide service to clients outside of the UP College of Pharmacy in the conduct of activities related to the use of the different equipment and facilities available in the college. Specifically, this program aims to:

1. provide access to clients for the UP College of Pharmacy equipment and facility;
2. provide technical guidance on the use of the UP College of Pharmacy equipment and facility;
and
3. provide pharmacy practice skills demonstration to clients.

Program Organizers:

Faculty members from the Department of Pharmaceutical Chemistry, Industrial Pharmacy, and Clinical, Social, and Administrative Pharmacy, through their respective department chairs..
