

Attention 7th graders and Parents and Guardians,

The 2021 NYC High School Admissions Guide is now available [online](#) for families. Additionally, DOE office of enrollment will be releasing a series of videos starting in June to inform and engage current seventh grade families in high school admissions. The NYC High School Admissions Guide and The Specialized High Schools Student Handbook will be combined into one publication. You can find the most up-to-date information on admissions, events, schools, and programs at schools.nyc.gov/high, schools.nyc.gov/SHS, and [myschools.nyc](https://myschools.nyc.gov).

The searchable online directory in [MySchools](#) is updated with school data for 2021 admissions. Families can use this searchable directory to explore schools and programs. sign up at www.schools.nyc.gov/sign-up to receive high school admissions notifications.

In September (or when schools open): printed versions of the 2021 combined guide will be delivered to schools that serve 8th grade. Each 8th grade student will receive a copy of the 2021 combined guide (this usually would have taken place in June.)

Please check the school's website for updated information as we move forward, www.Royhmann.com. We will work with you every step of the way and get through this together!

Thank you and enjoy your summer.
