

Worker Classification Questionnaire

Individuals who provide a service to the University must be classified as either an **Independent Contractor (IC)** or an **Employee**.

Completing the questions below will help the University to determine the worker's classification status.

NOTE: It is extremely important that the determination is made prior to the commencement of services.

Section I. Relationship with the University

A. Is this individual a University employee? University employees can only receive royalty payments or payments for clinical trial participation. All other payments should be processed through payroll or an exception obtained from the Treasurer's Office	☐ Yes ☐ No
B. Is it currently expected that the University would hire this individual as an employee immediately following the termination of his or her independent contractor services?	☐ Yes ☐ No Treat as an Employee
C. During the 6 months prior to the date on which the independent contractor services commenced did the individual have an official University appointment (including temporary)? State statute prohibits payments to ex-employees for services for up to 6 months after being employed by the University.	☐ Yes ☐ No Treat as an Employee
D. Will the individual be teaching a course that is a degree prerequisite for students or provide credit for a University degree?	☐ Yes ☐ No Treat as an Employee
E. Will they perform research under the direct supervision of a university professor or employee?	☐ Yes ☐ No Treat as an Employee

If the answer was "Yes" to questions B, C, D, or E – STOP! The person must be compensated through payroll.

For all other answers, proceed to Section II.
