

ESSEX NORTH SHORE

AGRICULTURAL & TECHNICAL SCHOOL DISTRICT

Essex North Shore has partnered with [MassEdCo](#) and their North Shore Area Educational Opportunity Center (EOC) to support our senior families with accessing and completing college financial aid applications including the FAFSA and CSS Profile. The EOC provides personalized guidance and encouragement to support individuals pursuing education beyond high school. Multilingual translation and interpreter services are available. While the EOC is especially motivated to build equity, diversity, and inclusion in postsecondary education for underrepresented students, all Essex Tech students and families are encouraged to register to attend this free information session and access the services offered by the EOC.

The EOC is hosting a virtual Financial Aid Information Session for Essex Tech Seniors and their families on Thursday, November 30, 2023, at 6:00 p.m. To receive a link from the EOC to participate in this virtual EOC Information Session, Seniors and their families must:

- 1) Complete an intake form with the EOC here: [EOC Intake Form](#) and then
- 2) Complete this registration form to attend the November 30, 2023 Information Session: [EOC Information Session Registration 11/30/23](#).

Senior families who are not able to attend the information session hosted by the EOC on November 30, 2023, but interested in accessing financial aid application support can do so by completing the [EOC Intake Form](#) and then directly contacting the EOC at 781-477-2114 or eoc@northshore.edu.
