2022-24 Projects & Goals:

Clinical Practice:

1. Further develop models of integrative healthcare within the primary care interprofessional practice (IPP) through Community Health Centers of Greater Dayton.
2. Expand psychological evaluation services for county, state, and federal courts.

Research:

1. Further develop *Family-Centered Perinatal Education* model through partnership with a birthing center for risk-reduction among at-risk mothers and to reduce healthcare disparities in perinatal health.
2. Validate *Sexual Health and Wellness Satisfaction Scale*.

Academics:

1. Teach course on *Sexual Health* and develop on-line courses on sexual health topics for public consumption as well as for continuing education credit available to mental health providers.
2. Teach course on *Psychological Evaluations for the Courts*
3. Teach course on *“White Privilege & Intersectionality”*.

Publications:

Publish *next (5th) book project: (Working title) White People Talking to White People about White Privilege: New Conversations About Social Equity and Justice*.

Professional Interests:

Study of White Privilege, Social Justice, Forensic Psychology
Clinical Sexuality, Sexual Health Research, & Sexuality Education,
Veterans Issues, Family-Centered Perinatal Education
