

Privacy Policy for Language Lovers

Last Updated: [24/12/2023]

Welcome to Atomic Burst. This Privacy Policy explains how we use AdMob to serve ads in our app and the implications for your data privacy. We are committed to protecting your privacy and ensuring you have a positive experience while using our app.

1. Use of AdMob

Our app uses Google's AdMob advertising service to display ads. These ads provide funding that helps us keep the app free for you to use.

2. Data Collection by AdMob

When you use our app, AdMob collects certain information to provide targeted advertising and for analytics purposes. This may include:

- Information about your device, such as device type, operating system, and unique device identifiers.
- Information about your use of our app, including the frequency and duration of your use.
- Data on your interactions with ads, such as the type of ads viewed and click-through rates.

3. How AdMob Uses Your Data

The data collected by AdMob is used to:

- Serve ads that are more relevant to your interests.
- Analyze how users interact with ads to improve the effectiveness of the ads served.
- Maintain and improve the AdMob service.

4. Your Choices and Control

You have control over your data privacy. Most devices allow you to refuse the use of your data for targeted advertising in the device settings. Additionally, you can opt out of personalized advertising in your Google account settings.

5. Changes to Our Privacy Policy

We may update this privacy policy periodically to reflect changes in our practices or legal obligations. We encourage you to review this policy periodically for any updates.

6. Contact Information

If you have any questions or concerns about our use of AdMob and your data privacy, please contact us at: atomicentry@gmail.com.
