

Facilities and Maintenance Department

Board Report

July 24, 2023

- Maintenance and custodians have been spending much of the summer break striping and waxing floors and painting walls.
- Additional outdoor seating has been assembled by the maintenance staff at two school locations and will finish soon with the remaining locations in the weeks to come.
- A number of air conditioning units have been repaired or replaced at multiple sites.
- The electronic waste disposal and abatement portions of the Torres Demo Project are under way.
- 2-Way radios have been purchased and distributed to each school site for security and communication
-
- Crews continue to diligently clean and disinfect all district school buildings.
- Maintenance continues to work on grounds and complete work orders, along with day to day maintenance as usual.

Status Analysis
