An Important Message from our Friends from the Barrington Garden Club

Is your child looking for a fun, creative activity to fill those vacation days ahead? The Barrington Garden Club is once again sponsoring several contests that the National Garden Club is offering. The deadline for entries is January 19. Work on these projects will be done at home and collected by me in January, at the school. Winning entries will be sent to the R.I. Federation of Garden Clubs, then on to the New England Group, and if selected, will be sent to the National Garden Club. I am very proud to say that last year we had several winners at all three levels!

The contest is for students from K through 12. This notice is being sent ONLY to Hampden Meadows students, but I am happy to include entries from siblings/friends at other grade levels. The criteria for all the contests can be found through the National Garden Club website, gardenclub.org. Then choose the Youth and Scholarships drop-down menu on the main page, then access Contests and Activities. Please feel free to email me with any questions you may have. I would appreciate hearing from those families who MAY be interested in participating. My email is mary_nugent@mac.com or you can contact Mr. Sangiuliano.

Thank you, I hope to hear from you!
