

Kindergarten

Week of October 26-30, 2020

Weekly Announcements

Welcome to Kindergarten! This is our Playlist. It is a tool to help you access all of the resources you will need for learning at home. Please contact your child's teacher if you have any questions.

If the words are underlined, that means it is a clickable link. You can click on the words to go to a video or other link.

There are many great apps on the iPad that will help your child practice their math and reading skills. Feel free to use these, even if they are not on the playlist. Some of our favorites are Teach Your Monster to Read, ABC Mouse, Splash Learn, Wet Dry Try & Moose Math.
