Workshop Updates

- Combining NSET & STC

The Jefferson County CTC Community Board's shared vision... Jefferson County is a thriving, healthy and safe community for our youth.

Jefferson County Communities That Care

- Next Steps are for the CTC, JCPH Tobacco Team, and Spanish NSET/STC facilitators to meet over the next two months to create a combined version that suits the needs of both the English and Spanish speaking communities
- From there, connections with the schools and other partner organizations will determine where and when these will be held
- Jeffco Schools will handle all of the registrations and communication with participants
- Spanish speakers will also be reviewing the Twelve Talks website to assess for translatability for Spanish Speakers
 - This may not mean that the entire website will be translated right away
 - We will begin by checking to see if key concepts and ideas are written in a way that would resonate with someone who's first language is not English.

~~Resource Assessment~~ [previous assessment](#)

- ~~[Resource Assessment Input](#)~~
- This was a small group so this was not discussed during this meeting.
