What is the total financial need?

How much are you requesting of Charis Mission Church?

How much of your total need is secured/committed?

Date you need to receive funds?

Please prepare a response to each of the statements below. In addition, please include a photo, family background, theological background, ministry history, and current ministry involvement. All statements must be addressed.

1. The purpose of Charis Mission Church is to support mission needs globally to areas where evangelical Christianity is less than 2%. To which region or to which people groups will your ministry be serving?
2. Charis Mission Church's vision is for the growth of local churches and evangelism to the unreached. Please describe your ministry and how it furthers church planting and advances the gospel.
3. What results do you hope to accomplish within a five-year window of this requested support?
4. Do you have metrics or milestones that align with your vision? If so, briefly explain or list below.
5. If you have served within or on the Missions field for more than two years, please highlight your progress in achieving your vision.
6. Missionaries are desired to build relationships with the members of Charis Mission Church through calls and newsletters. It is the church's preference to provide updates in English. If the communication is not in English, please provide a designated translator who is a member of Charis Mission Church.
7. Please provide your educational and theological background.
8. A written report of your testimony and information about your family, if applicable

Applications will be reviewed at the next Charis Mission Church Mission's Committee meeting. The Applicant's Name listed above will receive written communication from the Committee once your application is reviewed for the next steps. Please return the completed application form to hello@charismissionchurch.org with the subject line "MISSIONS SUPPORT NOMINATION"
