Hello, ????,

It's Aidrienne here in Slí Nua Careers. I am coming back to you re the email from our colleagues in the GPA. I don't like calling back out of the blue in case you are at work or in company.

We can chat at some stage: I'm actually free for ??? next hour or so ?? to take a call if that suited you. My number is 0861260136.

Or you could perhaps schedule a call here: <https://slinuacareers.com/bookinfosession-team/>

Could you also send on a copy of your existing CV and your LinkedIn URL (if you have one) to me on admin@slinuacareers.com. If you have a Word version of your CV, that's the preferred format; but if not, send on whatever format you have it in.

If you are going for a placement, can you send on your latest college results, and also outline when you are hoping to do your placement. Will the placement be paid or unpaid, and have you a particular company in mind? If yes, please send a link to the company site.

Thank you, Aidrienne.
