Section- B case best questions (2x3=6)

Read the following passage carefully and answers the given questions below

A) Early Vedic society was organised in different janas or 'clans' that is' larger groups of people.The Rig veda alone lists over 30 such janas- for instance , the Bharatas, the purus, the kurus, the yadus , the Turvanshas etc. Each clan was associated with a particular region of the northwest part of the subcontinent. Not Much is know of how these janas governed their society. The vedas only give us a few clues through words like Raja (a King or ruler) sabha and samiti,both of which refer to a collective gathering assembly. Many professions are maintioned in the Vedic text, such as agriculturist, weaver,Potter, builder, carpenter, healer, dancer,barbe,r priest etc.
