

cix

(Alias is ALWAYS lowercase)

height | around 180cm, stretch n squish him as much as u want

!pls include!

- long bottom eyelashes
- two lined moles under his right eye
- red string earring
- red pupil

hairstyle | warm blonde, messy wolfcut (or jellyfish cut!) that reaches just below the collarbone. direction of bangs doesn't matter

eye color | same color as hair, red pupil

facial expressions | he's mostly seen with a gentle smile, but always looks a tad unsettling

extra | long painted nails and sharp canines. can have red eyeshadow. eyelashes can also be blonde. very androgynous

Besides stuff in the **pls include**, feel free to do whatever u want with him! have fun and thank u so much for drawing him ♡
