

README

Information on #HamOnt's Response to the City of Hamilton RFP for Web Tech Consulting Services

START HERE>>>> Rationale

To learn more about what's happening here, please see:

- “More Consultant Crap vs. Change By Us - Raise the Hammer” - http://raisethehammer.org/article/1744/more_consultant_crap_vs_change_by_us
- Rationale Presentation Document - <https://docs.google.com/presentation/d/1juM8dN9DhpLHI5VIRHDv96Bvfl7BhTd0Nnj2Bs0Cjus/edit>

THEN>>>> Read the RFP and Appendix

The actual \$70 RFP document is [116 pages of text](#). The first 60 some are legal boilerplate. The RFP details are in the [Reconstructed RFP](#) document. The [Appendix](#) contains the City web strategy.

Where Created Documents are stored.

Files

Filename	Description
----------	-------------

1111-README	This file.
Brainstorming	A drawing file containing some brainstorming ideas.
Notes on RFP Content	Notes on each section of the RFP.
Rationale	A brief presentation on the Five W's of this issue.
Reconstructed RFP	The critical 9 pages of the RFP.
RFP Response	Where we'll start stacking up the response.
Task Planning	A spreadsheet outlining the tasks to get us to complete on the response.

Please contact James Arlen myrcurial@myrcurial.com if you'd like access to edit any of these files. You will require a google account. Thanks!

Where I've been putting everything else: Bulk Storage

Until I can figure out why drop box sucks, here's all the files:

<http://myrcurial.com/activism/HamOnt-RFP/>

You'll find images/scans/PDFs, etc.
