

Congratulations! You ordered yourself a Heart, 1997, one of kind! We are processing your payment right now, but in the meantime, please read the following guide we have attached to this notice.

Thank you for doing business with us!

YOUR HEART GUIDE

Precautions to take when handling:

- Do not shake package before opening.
- Cut box open CAREFULLY, so as not to disrupt the packaging around the item.
- Once removed from box, handle with care.
- Exercise daily.

WARNING - Please avoid the following:

- Scaring your Heart
- Abusing your Heart - physically or verbally
- Leaving your Heart alone for long periods of time - *you may run the risk of your Heart contracting Lonely - a disease that takes great pains and many comforts to heal*
- Flirting with your Heart - *it cause a wide variety of reactions including but not limited to: increased beating, excessive movement or sudden implosion*
- Taking moderate to excellent care of a Heart over a long period of time may cause it to develop Love, an irreversible condition. For more information about Love, [click here](#).

If you believe your Heart has Lonely, Love or has imploded, please contact your local physician today.

DISCLAIMER: ALL HEARTS ARE DIFFERENT. SOME ARE MORE SUSCEPTIBLE TO HEALTH CONDITIONS THAN OTHERS. KEEP YOUR HEART HEALTHY BY FEEDING IT A BALANCED DIET AND TAKING IT IN FOR ITS YEARLY CHECK-UP.

For more information, please call our helpline or email our support center.
Thank you.
