

Your goal for this course	How are you going to learn it?	How will I know I have achieved it?	How will you demonstrate that you have learned it?	Notes
My goal is to clearly understand the difference between evaluation and assessment and be able to choose efficient assessment/evaluation tools for specific circumstances	<ul style="list-style-type: none"> - Study the materials given to us in the course - Participate in the discussion forum - Ask my colleagues and the teacher questions - Search additional information on the Internet 	<ul style="list-style-type: none"> - I will try to explain the concept to another person so that he/she fully understands the difference. - Completing the assignments and getting feedback from our instructor - Feedback from my peers - If in any given situation I am able to explain WHY I chose this or that method of assessment or evaluation 	<ul style="list-style-type: none"> - Successful completion of quizzes - get high final grades - get positive feedback from my peers and instructor - applying the new knowledge in the assignments 	I will be spending between 10-12 hours per week to work on the unit assignments
