

Abstract
French Language (the second foreign)

Level of higher education – the second (Master)

Field of knowledge – 29 International Relations

Speciality - 293 International law

Type of discipline – Obligatory

School – School of Law

The purpose of the discipline "French language (the second foreign)" is to form the student general and professionally oriented communicative speech competencies (linguistic, sociolinguistic, sociocultural and everyday) to ensure their effective communication in the academic and professional environment.

The task of the academic discipline is the acquisition by students of professionally oriented language, linguistic and cultural knowledge and the formation of a system of speaking, reading, writing and listening skills in relevant activities. According to the requirements of the educational-professional (educational-scientific) program, students must achieve the following learning outcomes:

Know: grammatical material of the French language in full accordance with the European level B1 / B2; speech formulas on the topics provided by the program; basic professionally oriented knowledge in the chosen specialty.

Be able: understand the basic ideas and recognize basic information while communicating, respond to telephone conversations within the framework of typical communication, use basic presentation skills, understand typical texts from textbooks on general and professional topics.

Number of credits - 2

Total number of hours – 60

According to the requirements of the educational-professional (educational-scientific) program, students must achieve the following learning outcomes:

Know: grammatical material of the French language in full accordance with the European level B1 / B2; speech formulas on the topics provided by the program; basic professionally oriented knowledge in the chosen specialty.

Be able: understand the basic ideas and recognize basic information while communicating, respond to telephone conversations within the framework of typical communication, use basic presentation skills, understand typical texts from textbooks on general and professional topics.
