

Capital Improvement Campaign 2024

Enhancing Our Worship Space for a Brighter Future

February - Foyer Remodel

Welcome to a New Beginning!

Why Foyer Remodel?

Our foyer is the gateway to our church, making it the first point of contact for both members and visitors. A remodeled foyer aims to:

- **Create a Warm Welcome:** A modern and inviting space sets the tone for a positive worship experience.
 - **Foster Fellowship:** Updated seating and layout will encourage community building and connection among members.
 - **Improve Accessibility:** Ensure our space is inclusive with features catering to individuals with disabilities.
-

April - Outside Paint

Reflecting Beauty, Sharing Joy!

Why Outside Paint?

The external appearance of our church speaks volumes about our community. Painting the exterior will:

- **Boost Curb Appeal:** A fresh coat of paint enhances the aesthetic appeal, making our church a welcoming presence in the neighborhood.
 - **Preserve Structural Integrity:** Protecting the building from the elements ensures its longevity and minimizes maintenance costs.
 - **Strengthen Community Identity:** A well-maintained exterior reflects the pride we take in our church and community.
-

June - Kitchen

Nourishing Bodies, Feeding Souls!

Why Kitchen Renovation?

Our kitchen is the heart of our community, providing sustenance and fostering fellowship. A renovated kitchen will:

- Facilitate Ministry: Improved facilities enable us to better serve our congregation and community through events, meals, and outreach programs.
 - Enhance Efficiency: Modern appliances and layout will streamline food preparation, making it easier to cater to the needs of various events.
 - Promote Fellowship: A welcoming kitchen space encourages congregational gatherings and strengthens bonds among members.
-

August - Coffee Machines

Serving More Than Just Coffee!

Why Coffee Machines?

Coffee has become a symbol of hospitality and connection in our church. New coffee machines will:

- Elevate Hospitality: Offer quality coffee to enhance the fellowship experience, creating a warm and inviting atmosphere.
 - Encourage Community: Coffee stations provide a casual space for members to connect and build relationships before and after services.
 - Support Events: Easily provide refreshments during events, enhancing the overall experience for attendees.
-

October - Digital Snake

Enhancing Sound for Impact!

Why Digital Snake?

Clear and impactful audio is crucial to our worship experience. Upgrading to a digital snake will:

- Improve Sound Quality: Deliver a superior audio experience during worship services, ensuring that every word and note is heard with clarity.
- Streamline Setup: Digital snakes simplify the audio setup process, making it more efficient for our technical team.
- Enable Growth: Enhance our capabilities to accommodate future technological advancements and the evolving needs of our congregation.

Where to give?

Mail a check to Lakeland Community Church, 2075 N Main St, Canton IL 61520.
