

Croswell-Lexington Athletics

Families of Croswell-Lexington Athletic Programs,

As we prepare for the upcoming 2026-27 school year, we wanted to inform everyone of the changing of our Athletic Platform regarding collecting of forms and our Athletic Website. Our new athletic website can be found at <https://websites.eventlink.com/s/croswell-lexington-high-school/>. The previous website, hosted by Big Teams, will no longer be updated by the Athletic Department.

EventLink offers secure registration with an easy, user-friendly way to register for our programs, it helps us to be more administratively efficient and environmentally responsible. When you register through EventLink, the system keeps track of your information in your EventLink profile. This will make it easy to register your child for programs in subsequent school years.
