

## **9.10.20 EMAIL - 8 Week Team Camp Program**

### **- Website / Start Date Update / Coaches Schedule Confirm**

Coaches,

Thank you for registering to work with us! We are excited to offer this opportunity to both you and the players you will be working with. I wanted to ensure you had the most up to date details and will continue to work through those details with the City Parks & Rec staff as we get closer to the start date for the program.

#### **#1 - Coaches Website - [8 Week Team Camp Site](#)**

This site will be used to provide updates as well as keep our training session outlines, schedules and more. It will begin being populated more and more over the course of the next week as we get closer to the start date of the program.

#### **#2 - NEW START DATE - SEPTEMBER 26TH**

Concord Parks & Rec has made the decision to push back the start date of the program to 9/26 and have added one week at the end of the sessions so will now end 11/14. This decision was made so that we can use Frank Liske Park for the full 8 weeks and will allow us to all be in one location rather than spread across multiple sites. This is much better from a group environment perspective and we are very happy to be able to have Frank Liske Park for the full 8 Weeks.

#### **#3 - SESSION TIME-SLOT AVAILABILITY**

Following the link below will allow you to indicate your availability for each weekend. Instructions are provided in the form to help guide you through that process. Note that we are looking for you to mark the times you can START a training session with a team. As you are already aware sessions are generally from 8:00 AM - 3:00 PM. Once we have your availability for each day we will start matching you with teams and time slots and putting our schedules together.

We understand that your availability may change between now and a particular date, we will work through those issues as they come up and will make adjustments as needed. This is to get the best picture of what you're available to work currently.

#### **#4 - A FEW ADDITIONAL COACHES NEEDED**

We are still looking for about 5 more coaches. If you know of someone who would be interested and a good fit in this program please send them the registration information as well as the website information and put them in touch with me. We are looking for people with a decent soccer background and more importantly willing to work with players in a positive manner to help develop basic soccer skills for players from 5 years old to 15 years old. The registration information as well as the website information is below.
