

Supporting a Life in Crisis: Together We Can Make a Difference

At Utkal Welfare Trust, our mission has always been to stand by those in need, especially during life's most challenging moments. Today, we share the story of a young man from Basudevpur, Bhadrak, Odisha, whose life took a tragic turn following a devastating accident.

While riding his two-wheeler near Electronic City Road, Bangalore, he was hit from behind by a lorry. The impact caused him to fall off his vehicle, resulting in severe injuries to his chest and liver from metal rods. After initial treatment at a nearby hospital, he was referred to Manipal Hospital, Sarjapur Road, Bangalore, where advanced medical care was deemed necessary.

The doctors have recommended immediate life-saving surgery to stabilize his condition. The total cost of his treatment is estimated to be **₹12–13 lakhs**, out of which his family has managed to pay **₹5 lakhs** since his admission on Sunday. However, the remaining expenses are beyond their financial capability.

Our Response

Utkal Welfare Trust promptly stepped in during this time of need. Our members visited Manipal Hospital, met with the patient's brother, and extended financial support through a cheque. Beyond monetary help, we assured the family of our unwavering commitment to stand by them throughout this critical period.

Together, we prayed for his speedy recovery and pledged to continue supporting him until he is back on his feet.
