About "Immersed"

Orlando's original aquatic art show features a variety of themed art by local artists and photographers, but it doesn't stop there! There will also be beautifully aquascaped aquarium displays set up throughout the gallery, designed by aquarium enthusiasts, hobbyists, aquatic gardeners, and businesses.

About Central Florida Aquarium Society

Central Florida Aquarium Society's (CFLAS) dedication to the preservation and expansion of the fishkeeping hobby began in 1967. In 2013, a refresh in leadership structure and personnel resulted in a paradigm shift that expanded its reach beyond the hobbyist community. A trailblazing, tech-savvy, and forward-thinking approach increased participation 2000% in the first 12 months (cflas.org/stats). The variety of educational activities and innovative events ensures individuals of all levels of interest feel welcome. These successes have garnered international and local recognition by media outlets and hobbyist publications alike, including USA Today, Newsweek, Huffington Post, The Blaze, World News, United Press International, io9, Yahoo!, Breitbart, Mirror, Gentside, Orlando Sentinel, Tampa Bay Times, Central Florida Top 5, Florida Leisure Magazine, The Daily City, Bungalow, as well as hobbyist publications Tropical Fish Hobbyist, Amazonas, Reefs.com, Reef2Reef, Drs. Foster and Smith, and LiveAquaria.com. It's this formula that will lead CFLAS and the hobby to continued success and a brighter future.
