That same informant told me that the method he uses for scamming is called Sim Swapping, where you trick phone companies into switching the owner's phone number to the scammer's sim card, where they can then use 2 factor authentication to break into whatever accounts are linked to it.

Just for an example on one of his scams, we'll focus on Damian's interaction with Exting1111.

Detailed description of what happened: Damian agreed to selling me 488\$ worth of BTC for 510\$, I sent some of it first (200) then sent the other amount when I received the first amount of BTC. My paypal stopped working so then we agreed on me sending through Zelle. Fast forward a bit after I send him the payment for zelle he removes me and leaves the groupchat we were in which we dealt and blocked me. Someone added him back to the GC and I asked him what happened and he claimed his bank stopped working. He said he would wait till tomorrow to send it which I said was fine and waited till the next day. I have been messaging him all day and have no received 1 response from him.

Proof (screenshots/pictures):

Dam Buying Accounts

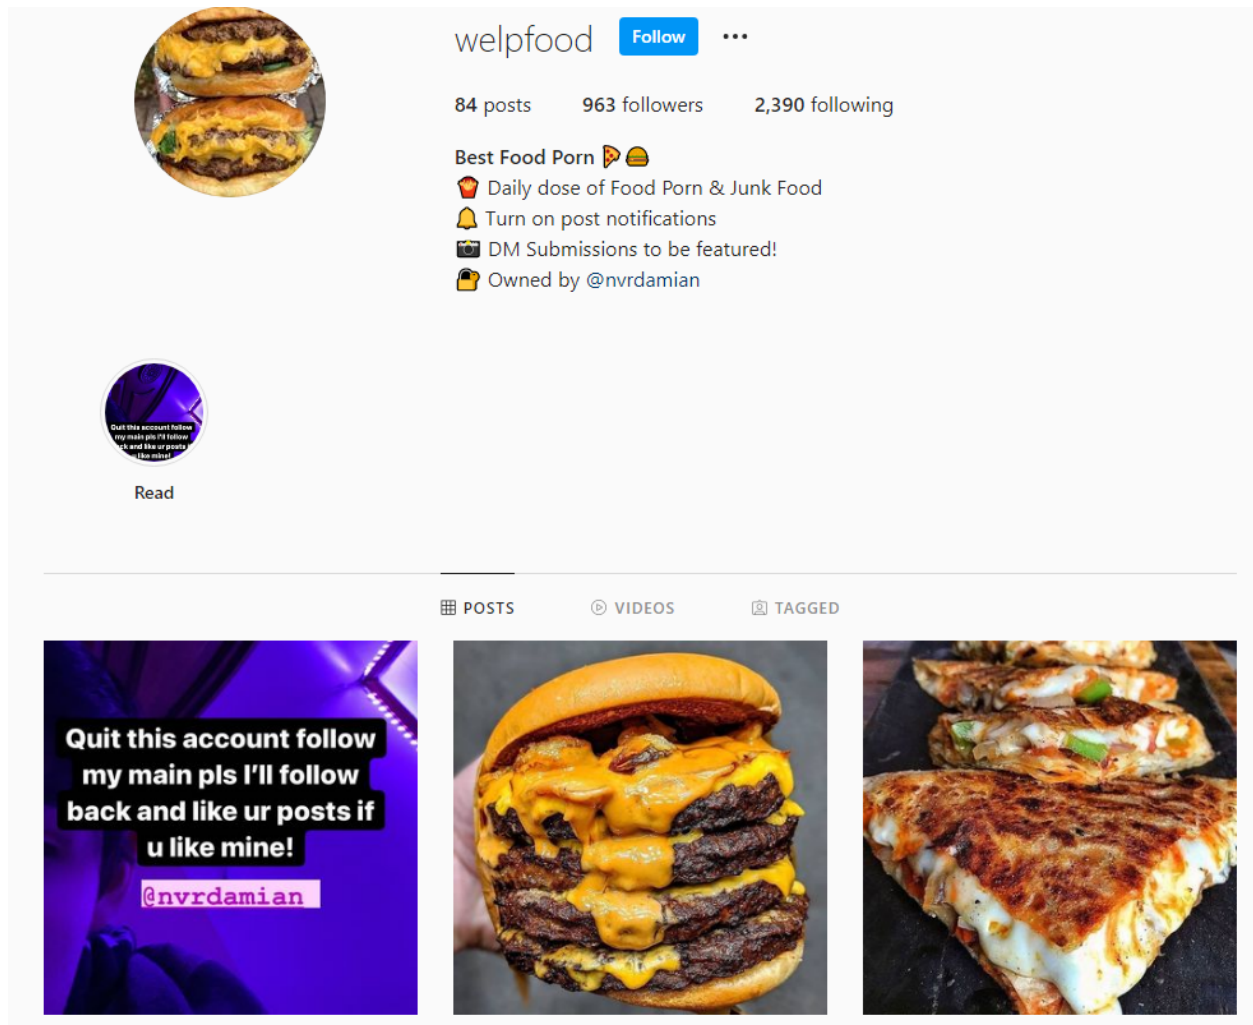

This is Dam trying to buy ShortHax's youtube channel, one of my sources who is fine with being known. ShortHax is also in this community, mainly due to the fact that he comments in the same way they do. From what I know, there's no evidence out there to suggest that he buys, sells, or scams channels. The important part of this evidence is that it actively shows Dam trying to scoop up more channels, legitimate or not.

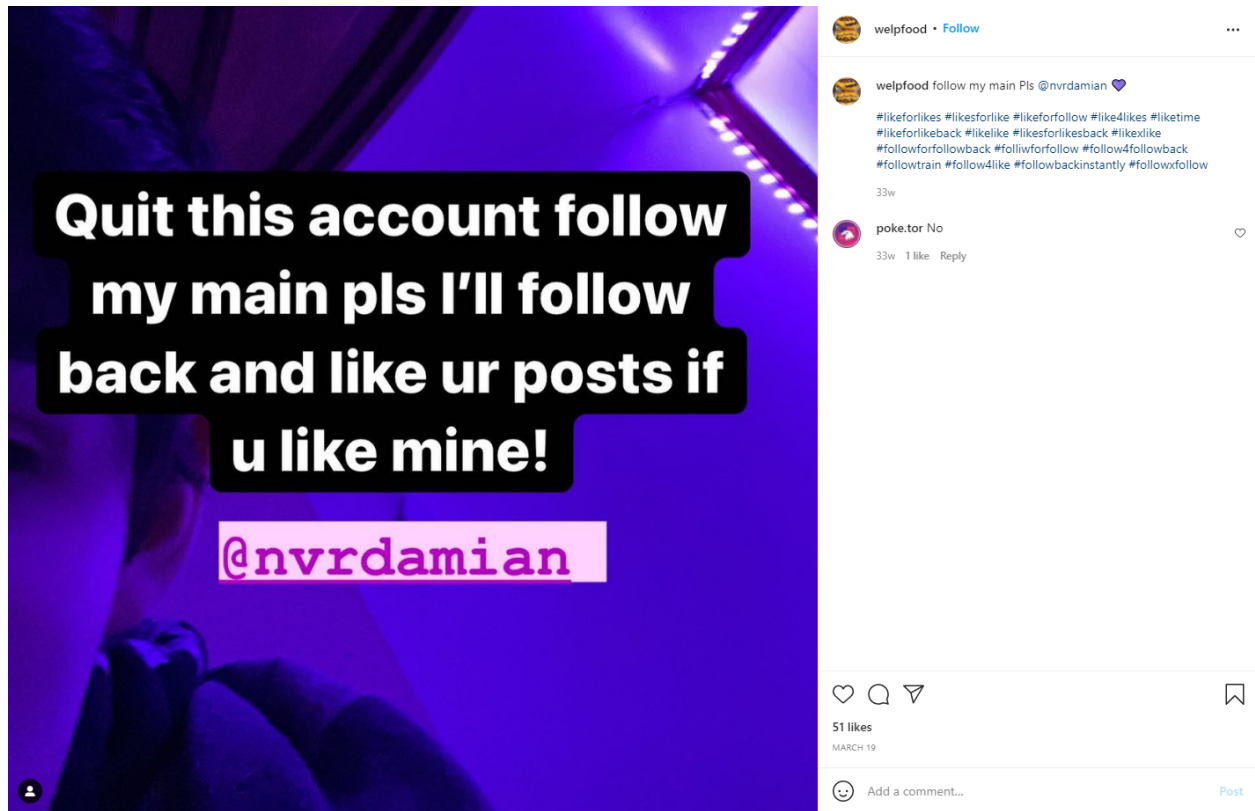

Dam yet again trying to buy a channel, and attempting to force the other person to send the money first, because there are “2 many scam”. Pretty rich.

In terms of channels he DID buy, the best example would be welpfood, on Instagram.

<https://www.instagram.com/welpfood/>

This account posted nothing but food for a long time, up until the final post.

The nvrddamian account no longer exists, unfortunately, but this evidence is still here.

Dam also bought the forgive tiktok account before privatizing it, though he can unprivate it at any time.

Lastly, he bought (or possibly grew) a thirsttrapping twitter account called welphotties.

My Conversation with Dam (And Privacy Complaints)

Dam, on several occasions, has either sent in a privacy complaint or directly removed videos about his past actions.

officialopit

1.39K subscribers

OfficialOpit take a look at the worst Minecraft creator, and what they did.

This video recieved a privacy complaint once, hence the blurred apology. That's really funny.

UPDATE: The video is blurred at 0:38 due to ANOTHER privacy complaint.

This was on the video “The Purprate Situation”, where opit had to blur two separate sections due to two separate privacy complaints sent in. According to youtube themselves, only the person affected themselves (or their lawyer) can submit a privacy complaint on a video.

Reporting a privacy violation

To file a privacy complaint, start the [Privacy Complaint Process](#) . As the complainant, your privacy is respected in this process. At no point will your identity or contact information be released to the uploader without your consent. Our communications to you about this process will be sent to the email address you give to us. Add support@youtube.com to your spam filter to make sure you get these messages.

First-party claims are required.

We do not accept claims made on behalf of third parties except in the following situations:

- The individual whose privacy is being violated does not have access to a computer
- The individual whose privacy is being violated is a vulnerable individual
- The claim is being made by the parent or legal guardian of the individual whose privacy is being violated
- The claim is being made by a legal representative for the individual whose privacy is being violated

We will not accept privacy complaints filed on behalf of:

- Other family members (such as husband, wife, cousin, brother, sister)
- Coworkers or employees (individuals must submit a report themselves)
- A company

Also, via Dam contacting me directly after my last update video, I have confirmation that the privacy complaint he sent on MY video was done directly by him. I'll be showing those last 2 screenshots, followed by the majority of our conversation, which is quite long. You'll have a scroll a lot to get to a new section, apologies.

its how I got the image

Dam 10/21/2021
idc abt the image
I just hate slandering

Judge 10/21/2021
you sent in a privacy complaint
that tells me that you do

Dam 10/21/2021
I sent it for Slandering? But okay.

Judge 10/21/2021
unless you only did that to try and shut down my video
i can show you the email I got

Dam 10/21/2021
I put a note about harassment
That's it but idk

Judge 10/21/2021
you linked the timeframe of 6:12 to 6:18

Dam 10/21/2021
Also put that you showed my face
yeah

Judge 10/21/2021
that's the face

Dam 10/21/2021
Yeah, I put both.
Main point was slandering/harassment.
It's very targetted

Judge 10/21/2021
there is no mention of harassment

Dam 10/21/2021
I put harassment.
YouTube doesn't put notes I guess
doesn't*

Judge 10/21/2021
a privacy complaint has nothing to do with harassment anyways
its about privacy

Now, the rest.

 **Dam** 10/21/2021
You are immature asf for doing that.
Instant Ban? Are you kidding me?

 **Judge** 10/21/2021
i dont engage with people who ask 15 year olds for thigh pics

 **Dam** 10/21/2021
You don't know.
I don't do that shit.

 **Judge** 10/21/2021
i will blur your face though
that was out of line

 **Dam** 10/21/2021
You blatantly harassed me.
without speaking to me.
I was a child when I did those things.
I'm in no way a pedophile

 **Judge** 10/21/2021
i did no such thing, everything i showed and said was public information

 **Dam** 10/21/2021
You harassed me vocally.
Idc what you showed.

 **Judge** 10/21/2021
you don't seem to understand the meaning of harassment

 **Judge** 10/21/2021
you don't seem to understand the meaning of harassment

 **Dam** 10/21/2021
That's targetted harassment
You were forcefully determined to make sure I get banned or whatever.
First of all, I was a child when that shit happened and where I can admit what I did wrong I also know people have lied & faked shit on me since.

 **Judge** 10/21/2021
banned for things you should rightfully be banned for

 **Dam** 10/21/2021
I shouldn't be banned.
I never broke any guidelines, infact I won't be banned.

 **Judge** 10/21/2021
evil himself directly told me that you both bought the channel and have run several of these scams

 **Dam** 10/21/2021
I don't break any TOS violations

 **Judge** 10/21/2021
thats fine

 **Dam** 10/21/2021
Evil is a 15 year old money hungry kid.

 **Judge** 10/21/2021
i still think you should be banned

Judge 10/21/2021

i still think you should be banned

Dam 10/21/2021

You can think that all you want, but promoting hate towards me is just messed.

You don't know the full story.

You had the nerve to ask them stuff but not me.

Judge 10/21/2021

i think people who regularly and repeatedly ask their young fans for sexual content should be banned

Dam 10/21/2021

It's unfair treatment.

Judge 10/21/2021

im just making my voice heard

Dam 10/21/2021

I don't ask anyone for sexual content.

Judge 10/21/2021

i would say its perfectly fair

Dam 10/21/2021

It's not fair in any way.

Dam 10/21/2021

It's not fair in any way.

Judge 10/21/2021

Dam 10/21/2021

You didn't put anything from my side except the shitty response I did 4 years ago when I was a child.

Judge 10/21/2021

again

Dam 10/21/2021

I had just turned 16 when I wrote that

I didn't know what drama was like.

Judge 10/21/2021

you seem to simultaneously deny these things and then say "I did that years ago"
those two statements directly conflict

Judge 10/21/2021

you seem to simultaneously deny these things and then say "I did that years ago"
those two statements directly conflict

Dam 10/21/2021

I didn't know how to respond to it.
What am I denying?
I deny what is fake & admit what is real.
I'm open about the situation.

Judge 10/21/2021

"I did ask nudes from Ava, 13 years old"
in your words

Dam 10/21/2021

When I was 15/almost 16
It was fucked up
It's not pedophilia
and it was 4 years ago.

Judge 10/21/2021

did you need see the video I replied to you with

Judge 10/21/2021

did you need see the video I replied to you with

Dam 10/21/2021

I'm seen it, they manipulated me.
I used to be friends with those people that made that.
They are just more scums.
Racist asf

Judge 10/21/2021

they asked something from you
you said it

Dam 10/21/2021

I have so many clips of them being racist

Judge 10/21/2021

it conflicted with the truth

Dam 10/21/2021

Same with evil

Judge 10/21/2021

interrogators also "manipulate" people

Dam 10/21/2021

They are just money hungry kids who want to use people.

Judge 10/21/2021

its how information is found
considering you bought a channel to try and shortcut fame, I would consider you money hungry too

 **Judge** 10/21/2021
its how information is found
considering you bought a channel to try and shortcut fame, I would consider you money hungry too

 **Dam** 10/21/2021
I'm not trying to make money.
I don't really care.

 **Judge** 10/21/2021
or was it just because you had to jump ship since your last name's reputation was ruined

 **Dam** 10/21/2021
My last channel is still growing
I don't care about my reputation.

 **Judge** 10/21/2021
then explain to me why you now have this one

 **Dam** 10/21/2021
I can grow with it being shit.

 **Judge** 10/21/2021
that seems a bit odd

 **Dam** 10/21/2021
How so?
I clearly grew a 13k channel just fine with my shitty rep.

 **Judge** 10/21/2021
explain to me why you would buy a 100k channel if you could grow your last one fine

 **Dam** 10/21/2021
I didn't buy it.

 **Judge** 10/21/2021
we're still here?

 **Judge** 10/21/2021
we're still here?

 **Dam** 10/21/2021
It was a compilation channel.

 **Judge** 10/21/2021
really?
denying that?

 **Dam** 10/21/2021
I don't give a fuck about the channel shit.
I don't even care about that shit.
I just want to have a civil discussion.

 **Judge** 10/21/2021
you clearly give a fuck considering how much you've been floundering for fame

 **Dam** 10/21/2021
Floundering?

 **Judge** 10/21/2021
how many names do you have now?

Judge 10/21/2021

Dam Today at 4:48 AM

Literally just Dam

Dam 10/21/2021

I mean I only go by Dam now

it's been that way for quite a while

and it will stay that way

Judge 10/21/2021

congrats to you, it doesn't erase your other ones

Dam 10/21/2021

Yes I'm not trying to erase others.

I openly tell people my channel's when I've made a new one.

I'm not hiding anything.

Judge 10/21/2021

no innocent person has ever talked the way you're talking

Dam 10/21/2021

I just hate when people don't know the full story and are so judgemental they won't listen to it.

Dam 10/21/2021

I just hate when people don't know the full story and are so judgemental they won't listen to it.

Judge 10/21/2021

im just being honest with you here

Dam 10/21/2021

You can be honest & I respect that.

I am trying to be honest & professional as well.

Judge 10/21/2021

asking nudes from a 13 year old 3 years younger than you should generally kill all discussion immediately
there's nothing to discuss past that point
there's no professionalism

Dam 10/21/2021

That's not pedophilia.

Judge 10/21/2021

if that's your best defense
you're fucked

Dam 10/21/2021

It's weird.

But not pedophilia.

I'm not fucked in the slightest

It was wrong, it was years ago.

I'd never be asking for sexual content from a minor again

I'd land myself a spot in a straight up jail if that happened.

No thank you. It's fucked up.

Judge 10/21/2021

everyone I have ever asked had told me otherwise

Dam 10/21/2021

They can tell you anything they want in all honesty.

Judge 10/21/2021

you're extremely lucky that romeo and juliet laws exist

Dam 10/21/2021

You are asking people who hate me.

Judge 10/21/2021

it's strange that everyone I ask hates you
that's not a good sign

Judge 10/21/2021

it's strange that everyone I ask hates you
that's not a good sign

Dam 10/21/2021

I don't really care.
I barely do YouTube at all anymore regardless.

Judge 10/21/2021

how many good people have the majority of human beings around them hate their guts?
what does someone have to do to have that happen?

Dam 10/21/2021

I just find it ridiculous you even care
Not majority
It's a group from the same community.

Judge 10/21/2021

so far, it's 10/10
see

Dam 10/21/2021

Congrats. You asked 10 people that dislike me.

Judge 10/21/2021

I've never been ousted from a community

Judge 10/21/2021

I've never been ousted from a community
and I find it hard to find a way to

Dam 10/21/2021

well, you fuck up it happens
I've accepted that
That doesn't mean I'm going to quit

Judge 10/21/2021

Well personally
and I think this goes for quite a few people

Dam 10/21/2021

If anything quitting would prove to everyone that I'm guilty still
and I'm just not

Judge 10/21/2021

I've never asked a 13 year old for nudes
just personally

Dam 10/21/2021

Okay and not everyone makes the same mistakes as a kid.
Unfortunately, That was not the case for me.

Judge 10/21/2021

Quitting youtube would do something very good for you

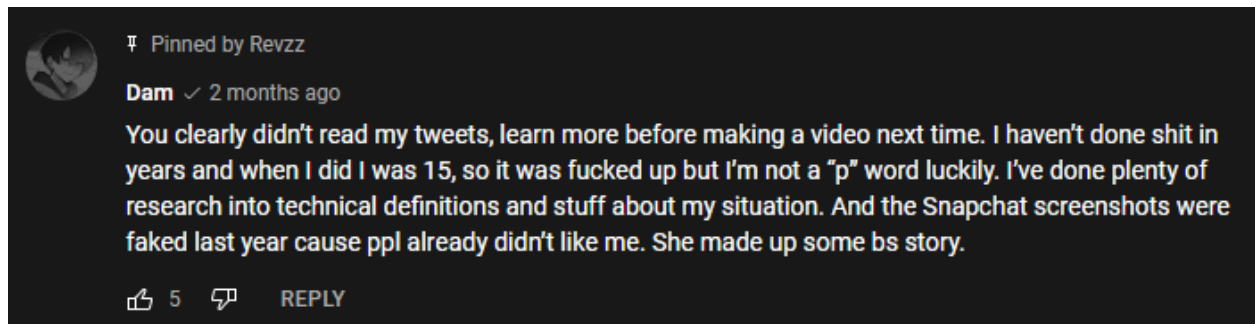

Dam 10/21/2021

No thanks.
Not going to happen.

The conversation continued for some time, but it degraded mostly into the legal definitions of grooming and pedophilia. The video mentioned is this one:

<https://www.youtube.com/watch?v=eMJB45y51-g>.

Also, I'll just throw in this comment of his.

The Avaqueen Incident

<https://docs.google.com/document/d/1v48G9qTdaJ31gEhqzLQ8StWhlyPWY4HynN8HNYrY21o/edit?usp=sharing>

This google document was already created for the video The Dexonic Situation, linked here: <https://www.youtube.com/watch?v=7XERS6B3oAU>. The person who made this video is also likely a groomer, by the way. Seems to be common in Minecraft circles.

Regardless, he does some good work in exposing one of his own.

All the other weird, stupid shit he's done

- A compilation of Dam DMing people weirdly younger than him
 - <https://www.youtube.com/watch?v=3q4bpCbabvw>
- Dam continuing to thirst over e-girls despite him specifically saying that it was "mentally retarded" and that he would stop
 - <https://twitter.com/Damifys/likes>
- Dam faking a suicide for whatever reason
- Dam loading his description with tags, which is straight up against TOS

DMs that can't be verified, but boy howdy are there a lot of them

Welcome to the section where there are just like, a lot a lot a lot of screenshots of supposedly Dam being incredibly creepy in DMs over the entire time he's been present on the internet. Take these with any amount of grains of salt as you want, but I don't find it very farfetched.
