SOD ESTABLISHMENT GUARANTEE & WATERING

Establishment guarantee period: _____ days from installation, subject to proper watering by owner

WATERING SCHEDULE (attach detailed schedule):

Week 1: Water _____ times daily | Week 2: Water _____ times daily | Week 3+: _____ per week

Guarantee covers healthy establishment when watered per schedule. Excludes damage from neglect, pets, pests, or acts of nature.

Owner initials acknowledging watering responsibility: _____

TERMS & AUTHORIZATION

This estimate is valid for 14 days. Sod is a perishable product; pallet pricing is subject to sod farm availability and seasonal price changes. Sod must be installed within 24 hours of delivery. The establishment guarantee applies only when the owner follows the provided watering schedule. Proper site drainage is the owner's responsibility to disclose. Final square footage is confirmed at installation.
