

SRVUSD Interdistrict Transfer Renewal Process

After receiving an initial interdistrict transfer approval, parents must renew the interdistrict transfer each spring.

Parents will receive an email from Student Services, requesting interdistrict transfer renewal. This process uses the same interdistrict transfer request form, from the resident school district, that was used to request initial enrollment.

It is important to note that if Interdistrict Transfer Renewal documents are not submitted to SRVUSD Student Services by May 1, 2025, the student may be unenrolled in SRVUSD for the upcoming school year.

- Per Education Code [46600](#), and the SRVUSD AR 5117, existing interdistrict attendance permits shall not be rescinded after June 30th for students entering grade 11 or 12 in the subsequent school year.
- If the Interdistrict Transfer Renewal document is received after May 1, 2025, placement in the requested school will be based on the availability of space at the time of submission.

An interdistrict attendance permit may be revoked or rescinded under the following conditions.

If the student:

- Is excessively tardy or absent from school or is brought to school excessively early or left excessively late
- Fails to uphold appropriate behavior standards
- Fails to make appropriate academic efforts

Or if false or misleading information was provided or other conditions occur that would render continuance unadvisable.
