

III. The Challenges of Urbanization

Aim: How did the United States change to meet the challenges of urbanization?

Do Now: Examine the picture of NYC 1890. Then answer the question that follows.

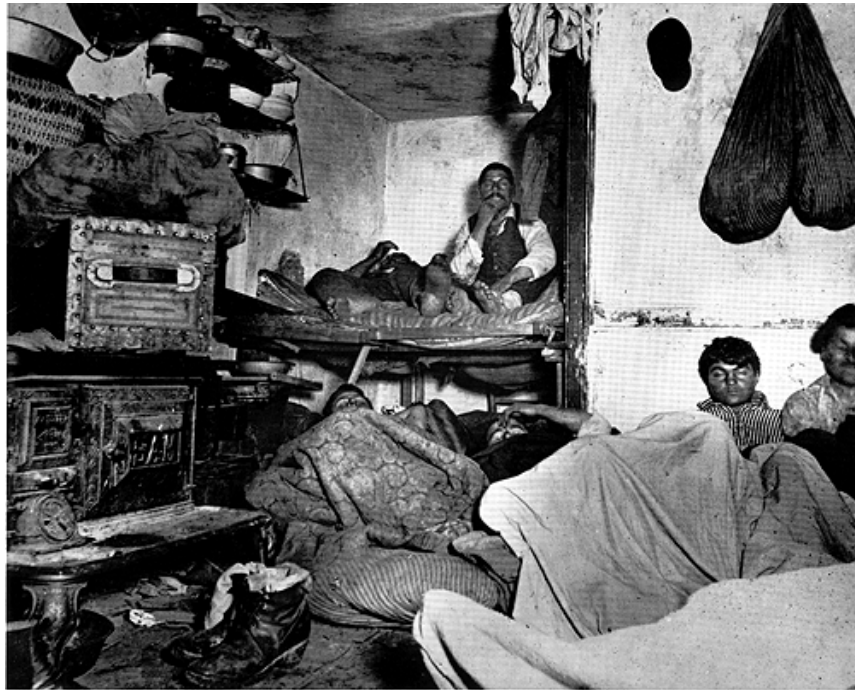

1. What is different about this scene from NYC 1890 and what you might see today?
2. What types of problems may arise from a city life scene such as this?
3. How might the government of NYC have to adjust to handle issues seen in the image?

Quick Review

1. Why do people emigrate to the United States?
2. How did immigration change in the late 1800s?
3. Why did Nativism develop?
4. What are examples of nativist laws?

Assignment: Watch video [America the Story of US: Cities](#)(17:13 - 37:04) and complete the chart.

Problem	How the did people address the problem
Crime	
Overcrowding/Slums	
Water/pollution	
Darkness/fire	

Historical Context:
