

Pasadena Group
2025 Executive Committee Candidates
Vote at sc.org/VoterPortal between Oct 1st and Nov 13th.

Russel Babbitz

I appreciate your vote to continue my service on the Pasadena Exec for another term. This service began about eight years ago. While serving I have represented the Pasadena Group at the Angeles Chapter Executive Committee and Angeles Chapter Poli5cal Committee (PolCom). I appreciate the value of PolCom service to consider endorsements of new and already serving political candidates and promote Sierra Club environmental policies. During the last year I have also served as the representative to the Pasadena 100 Group who, with the able leadership of Cynthia Cannady and many fine members, are working hard to keep Pasadena on track to get the electric utility carbon free by 2030. I am also serving as treasurer for the Pasadena Group and want to increase our fund raising so we can keep offering talks on environmental issues five or six times a year (please consider giving \$25, \$50 or \$100 will make it happen!). Thank you for reading!

Greg Coleman

Since 1981, I have been a member of the Sierra Club and enjoyed participating in activities. By watching and talking to Sierra Club leaders, I've come to appreciate their efforts. I realized that I wanted to help Sierra Club continue and enhance its mission. I started on this path by becoming an outings leader in 2019. I have also read about the Sierra Club's history. It has had many accomplishments, but also some failures and mistakes. There is much more to be done, particularly in advocating preservation of parks and wilderness areas, educating members about the Club's history, and bringing in new members. In the coming years, I would like to continue to lead hikes but also work to ensure that the Sierra Club stays strong and effective. It is important that the Club

brings in younger and more diverse people, that more people are introduced to the beauty of the natural world, and that we jointly work toward preserving our environment. I ask for your vote so that I may contribute more to the Sierra Club as a member of the Executive Committee of the Pasadena Group.

Bill Joyce

I'm honored to serve on the Pasadena Group Executive Committee. It's my privilege to run for re-election. If elected, I will strive to work harmoniously with the talented group of leaders who continue to serve on the committee. Thanks for your consideration, and a special thanks for participating in the election process. Sierra Club Member since 1989. Chair of the Pasadena Group Executive Committee, 2022-present.
