Dear _____,

I write to you today as a Boston resident and member of Abundant Housing Massachusetts (AHMA). In case you are unfamiliar with us, AHMA is a not-for-profit organization founded in 2020 to advocate for the creation of abundant housing for all and to develop and support a network of grassroots, pro-housing groups and activists across Massachusetts.

I am reaching out because Boston is in the midst of a housing crisis. Finding good quality, affordable housing is almost impossible and each year it gets more difficult.

[AHMA recently distributed a questionnaire](#) to each candidate for City Council that asks you to explain your stances on topical housing policies, such as rent stabilization and legalizing accessory dwelling units.

While the main purpose of this questionnaire is to educate the public on where our candidates for City Council stand on these policies, it also provides **you** the opportunity to present your housing vision for the City of Boston. Your responses will be posted on AHMA's website and promoted through their social media channels. They may also be used as the basis for an endorsement.

I ask that you please complete this questionnaire as soon as possible, so that myself, and every Boston resident will be well informed when we head to the ballot box. Personally, my vote will depend a great deal on your responses.

I hope to see your responses posted on AHMA's website soon.

Thank you so much for your time and consideration.
