

PHOTO REFLECTION - Framing

Photographer's Name:

Date:

Please answer the following questions in complete sentences:

Describe where you captured photo and the subject that is being framed:

What aspect of creating this photo was most difficult?

Do you feel natural (trees, branches, logs, etc.) or man-made (doorway, shelves, windows, etc.) objects make better composition for framing photos? Explain which option is best for you as a photographer, and provide an example from online of a picture you think is a strong example.
