

Register for AP Exams

You'll need to join your class section online in order to register for the exam. Once you have joined your class section, you can complete the steps below.

Instructions

Step 1: Ensure you've joined your class section online.

Sign in to My AP with your College Board account and make sure you've joined your class section. If you haven't, you'll need to follow the steps to [join your section online](#).

Step 2: Register—or confirm your existing registration—in My AP.

Clarksburg High School requires you to indicate your exam registration. You'll see a Register button in your class section view in [My AP](#) after you join your class sections. Clicking this button will let your coordinator know that you plan to take the exam, and they will order it for you. If you don't see that button, please let your coordinator, Ms. Calarusse, know.

If you'd like to register for an exam after November, you'll need to ask your AP coordinator to update your registration. If your class doesn't start until the spring or you've transferred to a new school after the exam ordering deadline, don't worry—your coordinator will be able to order your exam.

Step 3: Exam-Only Sections: Talk to your school's AP coordinator about paying exam fees, if you are retaking the test or will self-study in an Exam-Only section.

You can't pay for your exam on the College Board website. Any fees that you owe will be collected through SCO.

2024 AP Exam Fees

Read about AP Exam fees, fee policies, and fee reductions.

Step 4: Review your registration details.

Once you have selected to register, the date and time of your exam will appear in your course card in My AP. You can review the exam schedule and talk with your AP coordinator, Ms. Calarusse, if you have any questions about the start time for the exam(s) you're scheduled to take.

Your AP coordinator will notify you when and where to report for the exams.

Please contact Ms. Calarusse at Samantha.Calarusse@mcpsmd.org with any questions.
