BACKGROUND: The Caribbean, Latiné, and Chicanx Youth Empowerment Conference (CLCYEC): "K(no)w History, K(no)w Self: Navigating Higher Education with Heritage and Heart" is an annual high school outreach event hosted by S.O.L. y L.U.N.A. within the Student Recruitment and Retention Center (SRRC). The conference empowers Latinx youth to pursue higher education by celebrating heritage, building community, and offering dialogue about college life at UC Davis. Through this bill, the Office of Senator Martinez will help partially cover the breakfast for the conference as their ASUCD Student Representative in RROC. For context, the Retention and Recruitment Organizing Committee (RROC) is the student governing body of the SRRC and an ASUCD Senate Representative holds a voting position within it.

Senator Martinez and Garcia will serve as the ASUCD panelists highlighting student leadership, mentorship, and the role of ASUCD in campus life. Our involvement will help provide high school students with representation and insight into how student government at UC Davis fosters inclusion and advocacy on campus. This form of engagement promotes ASUCD's retention goals by showing students that leadership and belonging are attainable within higher education as possible Aggies. All extra food will be donated to the pantry located inside the SRRC and Student Community Center (SCC) in collaboration with the Cross Cultural Center.

The conference will happen on April 25th, 2026 with an expected attendance of 110 people that include UC Davis students, career staff, volunteer professors, the youth group, and the youth group's parents.
