

## Student Digital Resources Navigation Directions (for access at home)

### To access digital resources available to students:

- Open Chrome (browser) & go to your Campus Homepage (Home button on school chromebooks)
- Click 'student life' drop-down at the top

- Choose 'Digital Resources for Students'

#### Student Resources

(the available app list may be a little different at each campus)

- Click on desired application
- If it doesn't log you in automatically then log in using your district username and password:

Username = (student ID #)

Password = (student selected password)

Sign In

---

**Carrollton - Farmers Branch Independent School District**  
**Authorized User Login Page**

fs.cfbisd.edu

Type your user name and password.

User name:  Example: Student ID

Password:

**\*\*PERSONAL IPADS AT HOME:** use the same process above but you will often need the actual app also installed on the ipad (ex. **ST Math**). You will not begin with the app though as you must log in using the unique link from the campus Digital Resources for Students page.
