We have 18 students in our class.

9 girls and 9 boys.

**PLEASE – Practice your child's
key words EACH night.**

We really appreciate the parents that helped their child complete the NTI work. We are so thankful for the help and support our kids receive at home. Just a reminder that key word videos and big book videos are always accessible on our Google Classroom. Also Zearn and Splash Learning sites are open in the evenings and weekends for extra practice.
