Agenda:

- ## How to reach out?
- SIS/ Ebsi list
    - EBSI: can subscribe to the list.
- ABQLA
- Keep meeting notes on the wiki so that the info can be made public.
    - Increases participation.
- Add a better description on the wiki page.

- ## Planning | Planification:
    - Suggestion: put together a rough sketch of when we're meeting. How often? Roughly when?
        - Meeting every two months is still ideal. So next official meeting is October 23.
            - Sarah talks about DLF
            - Chris talks about Course Reserve
            - Possibly Alex?
            - Possibly John?
            - Another slot open if someone wants to talk.
            - Flush out mandate

        - Generally, we'll aim for every 3rd or 4th Tuesday of the month. 4:00 pm.
    - Beer nights. Pub night in September.
        - Decided: 5 à 7 on September 21. Location: TBD
    -

1.   What are your areas of research? What general areas interest you? | Quels sont vos domaines de recherches? Quels domaines généraux vous intéressent?
- Linked data
- Web archiving
- Research Data Management; Data generally

- Algorithms
- Data mining for libraries (messy data)
- Content migration from older formats
- Sustainability of databases
  - What do you do with them
  - Obsolecense vs preservation
-

2. What would you like to learn? | Que voudriez-vous apprendre?
- Premis metadata
- Jekyll, IIIF
- Coding
  - Django, Python
  - Best practices on coding (clean code)
- Learning Git
- OpenRefine (Library Carpentry has one)
- Public speaking, in particular, bring in someone who specializes in this to help develop these skills
  - Focus: women in tech and how to discuss tech as a female presenter

3. What would you like the group to do? | Que voudriez-vous que le groupe fasse?
- Pair programming; programming mentors
- Workshops
  - Best practices on coding (Better code book [Uncle Bob]; Software Carpentry of intermediate level; Programming Historian)
  - Working through a lesson as a group
  - Preparing lessons for others
- Hackathon
- Outreach to museums
