### **Special Conditions:**

1. There will be a minimum age of 12 years for all .22 caliber events and 15 years for all centerfire pistol events.
2. Any competitor 18 and younger must be accompanied by an adult.
3. Center fire revolvers are acceptable.
4. Competitors who share equipment and need to be squadded on separate relays are responsible for informing the Sports Coordinator of their needs.
5. All event starting times except the initial start time each day are approximate and could begin earlier or later depending on what transpires in previous events.
6. Depending on the number of shooters who register, we may divide the shooters up into relays to assist with scheduling and to keep shooters from having to wait long periods before being able to fire. Once we have determined the need for relays, all shooters will be alerted via—email before the beginning of the summer games.
7. All courses of fire will be fired one-handed. The only 2-handed event in this list will be Silhouette. However, if everyone in a division (i.e. sub-junior, Super-Senior, etc.) wants to shoot 2-handed for that particular course, it can be shot 2-handed, but all competitors must agree.
