The Regional Transport Officer / Traffic Department
Seawoods, Navi Mumbai

Subject: Obstruction of Society Gate – Request for No-Parking Enforcement

Respected Sir/Madam,

We, the undersigned, on behalf of Woodland CHS, located at plot no 92, sector new 50 e, seawoods, wish to bring to your attention a recurring issue of unauthorized vehicle parking directly in front of our society entrance.

Vehicles are frequently parked in a manner that completely blocks entry and exit, obstructing access for residents and preventing movement of emergency services such as ambulances and fire vehicles. This poses a serious risk to the safety and well-being of all residents.

Despite repeated concerns, the issue persists and requires immediate intervention.

We kindly request your office to:

1. Conduct a site inspection
2. Install authorized No-Parking signage
3. Ensure regular enforcement to prevent obstruction

We request urgent action in this matter and look forward to your support in ensuring safe and unobstructed access to our premises.

Thanking you.

Yours faithfully,
For Woodland CHS
