Biddeford Intermediate School will be having an influenza vaccination clinic on **Thursday, 9/28/23**. We will be partnering with Northern Light Home Care & Hospice to provide this clinic to our students.

Please click on the link below and **complete the consent form by Tuesday, 9/26/23, at noon**. You must type something into all highlighted fields, so please use NA if it doesn't apply.

Although the vaccine is provided at no charge, there is a cost to administer the vaccine. **We would appreciate it if you included accurate insurance information.** There is no out-of-pocket cost, and those without insurance **will** be vaccinated with the appropriate form completed. **Children presenting with an incomplete form will not receive their vaccine.**

Click here for consent form
Or scan below

- ✔ You will be notified if there is a change in the planned dates of school flu clinics.
- ✔ The Vaccine Information Sheets are included in the link after the consent form. Please take a minute to read these.
- ✔ If you need a translated form or are unable to complete an electronic form, please let the school nurse know, and we will send a paper form home.

All clinics will have injectable vaccines. In addition, FluMist (nasal spray) may be available at some clinics. We cannot guarantee it for all clinics. **Unless you clearly mark which type of vaccine you prefer, and there is no contraindication to either type of vaccine, the nurse at the clinic will determine which type of vaccine to use for your child**.

For information about flu and the vaccine, go to www.maineflu.gov, https://www.maine.gov/doe/vaccine/toolkit/sections/2.2%20SLVC%202014-2015FactSheet.pdf

For questions about the flu vaccine, call the Maine Center for Disease Control & Prevention (Maine CDC) at 1-800-867-4775, Monday through Friday, 9 am – 5 pm.

For questions about the vaccine clinics at our school, please call the school nurse at (207) 282-5957.

Sincerely,

Nurse Lexi

Please be sure to complete and return the Health Screen & Permission form!
