

Privacy Policy for Brain Buddy

Effective Date: 2 June 2025

Last Updated: 2 June 2025

At Brain Buddy, we value your privacy. This Privacy Policy outlines how we handle your data when you use our iOS app to receive AI-powered homework assistance and explore educational content.

1. What We Collect

a. Input Data

When you enter text or upload a photo for homework help, the data is sent to our AI model for real-time processing only.

The input is not stored on any server and is never retained after processing.

b. Local Data

All data, including your query history, saved favorites, and settings, is stored locally on your device.

We do not access, transmit, or store any personal information or usage data on our servers.

2. How We Use the Data

- To provide AI-generated homework help and answers.
 - To let you view and manage your past questions and favorite explanations locally.
 - To deliver educational content and personalized suggestions within the app.
-

3. Data Sharing

We do not share, sell, or transmit your input data or any personal information to third parties.

4. Security

Your data is stored securely on your device. No cloud or internet storage is used beyond temporary AI processing.

5. Children's Privacy

Brain Buddy is not intended for children under 13. We do not knowingly collect personal data from children.

6. Changes

We may update this Privacy Policy to reflect changes to our data practices. Any material changes will be communicated within the app.

7. Contact

If you have any questions or concerns about this Privacy Policy, please contact us:
