

1. 姓名 Name	Aymeric Collart 理克
2. 經歷及學歷 Experience and education	專任 Full-time 國立臺灣師範大學國文學系助理教授 (2025.08.01–) Assistant professor, Department of Chinese, National Taiwan Normal University (2025.08.01–) 中央研究院語言學研究所博士後研究學者 (2022.07.01–2025.07.31) Postdoctoral researcher, Institute of Linguistics, Academia Sinica (2022.07.01–2025.07.31) 學歷 Education 國立臺灣師範大學英語學系博士 National Taiwan Normal University (Department of English), Ph.D. 巴黎狄德羅第七大學語言學研究所碩士 Université Paris 7 Denis Diderot, <i>now</i> Université Paris Cité (Graduate Institute of Linguistics), MA
3. 著作目錄 Publications	● 期刊論文 Journal articles (peer-reviewed) Collart, A. (2024). A decade of language processing research: Which place for linguistic diversity? <i>Glossa Psycholinguistics</i>, 3(1). Collart, A. (2024). It costs to exist: Acceptability judgments of the temporal concord of the auxiliary verbs <i>you</i> and <i>hui</i> in Taiwan Mandarin. <i>Journal of Psycholinguistic Research</i>, 53, Article 44. Collart, A., and Zeitoun, E. (2024). Past and future time reference processing teased apart in Paiwan, an endangered Formosan language. <i>Language and Cognition</i>, 16(3), 574–599. Collart, A., and Su, H.-K. (2022). Expressing the existence of an event with ‘you (to have) + VP’ in Taiwan Mandarin: A corpus-based investigation. <i>Concentric: Studies in Linguistics</i>, 48(2), 249–284. Fan, C. D., Collart, A., and Chan S. (2022). When two languages are competing: An ERP study on sentence processing in expert and novice interpreters. <i>Interpreting</i>, 24(1), 1–37. Collart, A., and Chan, S. (2021). Processing past time reference in a tenseless language: An ERP study on the Mandarin aspectual morphemes <i>-le</i> and <i>-guo</i>. <i>Journal of Neurolinguistics</i>, 59, Article 100998. ● 專書論文 Book chapters (peer-reviewed) Collart, A. (2024). Experimental linguistics embracing linguistic diversity: On the contributions of Formosan languages to models of sentence processing. In P. Li, E. Zeitoun, & R. De Busser (Eds.), <i>Handbook of Formosan languages: The indigenous languages of Taiwan</i> (Brill Reference Online), Leiden: Brill. Collart, A., Wu, J. J., and Huang, M.-J. (2024). Review of indigenous language teaching and beyond in Taiwan: The race against time. In P. Li, E. Zeitoun, & R. De Busser (Eds.), <i>Handbook of Formosan languages: The indigenous languages of Taiwan</i> (Brill Reference Online), Leiden: Brill. ● 研討會論文 Conference presentations (peer-reviewed)

	Collart, A., & Yang, C-H. (2025, July). Teaching language for specific purposes: A corpus study of officialese technical words in Taiwanese documents. Paper presented at the Japanese Society for Language Sciences 26th Annual International Conference. Ehime University, Matsuyama, Japan. (poster) Collart, A. (2025, May). In the clouds and on the ground: Taiwan as a laboratory to expand the typological pool of psycholinguistic research. Paper presented at the <i>Linguistic data and language comparison in light of the 'quantitative turn' and 'big data' – a workshop and symposium</i>. University of Bern, Bern, Switzerland. (talk) Collart, A. (2025, May). A tale of the lab and the field: An opportunity for Formosan language research. Paper presented at the <i>5th World Congress of Taiwan Studies (Taiwan in a changing world: Past, present, and future)</i>. Academia Sinica, Taipei, Taiwan. (talk) Collart, A. (2025, April). 'Computer or smartphone, as you please': On the device effect in web-based acceptability judgment experiments. Paper presented at the <i>5th International Conference on Theoretical East Asian Psycholinguistics (ICTEAP-5)</i>. Waseda University, Tokyo, Japan. (talk) Collart, A. (2024, October). Mind your language and your cues when judging the past. Paper to be presented at the <i>13th Workshop on Formal Syntax and Semantics (FOSS-15)</i>. National Taiwan Normal University, Taipei, Taiwan. (talk) Collart, A. (2024, September). Judging past time reference across languages: A Competition Model perspective. Paper presented at the <i>30th Architectures and Mechanisms for Language Processing (AMLaP 30)</i>. University of Edinburgh, Edinburgh, United Kingdom. (poster) Collart, A. (2024, September). Quantitative explorations of regional grammatical variations: The case of <i>you</i> 'to have' in Taiwan Mandarin. Paper presented at the <i>Crosslinguistic Perspectives on Processing and Learning Workshop (X-PPL)</i>. University of Zurich, Zurich, Switzerland. (poster) Collart, A. (2024, July). Existing in the future depends on who you are and what you do: Acceptability judgments of '<i>you</i> (to have) + VP' in Taiwan Mandarin. Paper presented at the Japanese Society for Language Sciences 25th Annual International Conference. Shizuoka, Japan. (talk) Collart, A. (2023, November). Neurotypological considerations of temporal concord processing. Paper presented at the <i>Crosslinguistic Perspectives on Processing and Learning Workshop (X-PPL)</i>. University of Zurich, Zurich, Switzerland. (poster) Collart, A. (2023, September). Ten years of linguistic diversity in language processing conferences. Paper presented at the <i>29th Architectures and Mechanisms for Language Processing (AMLaP 29)</i>. Basque Center on Cognition, Brain and Language (BCBL), San Sebastian, Spain. (poster) Collart, A. (2023, September). Processing temporal concord and modality: A self-paced reading study on <i>you</i> and <i>hui</i> in Taiwan Mandarin. Paper presented at the <i>29th Architectures and Mechanisms for Language Processing (AMLaP 29)</i>. Basque Center on Cognition, Brain and Language (BCBL), San Sebastian, Spain. (poster) Collart, A. (2023, May). Planning or not planning: Interplay between future time adverb and aspect markers/modal construction in (Taiwan) Mandarin. Paper presented at the <i>Workshop on Theoretical East Asian Linguistics 13 (TEAL-13)</i>. National Taiwan Normal University, Taipei, Taiwan. (talk) Collart, A. (2023, March). Existing in time has a cost: A judgment acceptability study on the temporal concord processing of the auxiliary verbs <i>you</i> and <i>hui</i> in Taiwan
--	---

- Mandarin. Paper presented at the *Human Sentence Processing conference 2023 (HSP-2023)*. University of Pittsburgh, Pittsburgh (Pennsylvania), USA. (poster)
- Collart, A. (2022, October). Processing past time reference, but which one? An ERP study on the Mandarin Chinese morphemes *guo*₁ and *guo*₂ with definite and indefinite time adverbs. Paper presented at the *Linguistic Evidence 2022*. Université de Paris, Paris, France. (talk)
- Collart, A. & Zeitoun, E. (2022, September). Processing past time reference is harder than future time reference: Evidence from Paiwan, a mood-prominent language. Paper presented at the *28th Architectures and Mechanisms for Language Processing (AMLaP 28)*. University of York, York, United Kingdom. (poster)
- Collart, A. & Chan, S. (2021, November). Processing past time and discontinuity aspect: Event-related potentials reveal different neuronal brain responses elicited by the Mandarin verbal morpheme *-guo*. Paper presented at the *3rd International Conference on Theoretical East Asian Psycholinguistics (ICTEAP-3)*. National Tsing Hua University, Hsinchu, Taiwan. (talk)
- Collart, A. (2020, November). Aspect of pasts in Mandarin: An ERP study on the temporal restriction of the perfectives *-le* and *-guo*. Paper presented at the *21st National Conference on Linguistics (NCL-21)*. National Sun Yat-sen University, Kaohsiung, Taiwan. (poster)
- Collart, A. (2020, October). The temporal constraints of *le*₁ revisited. Paper presented at the *13th Workshop on Formal Syntax and Semantics (FOSS-13)*. Academia Sinica, Taipei, Taiwan. (poster)
- Collart, A. and Chan, S. (2020, March). Not all the pasts are the same: An ERP study of the temporal constraints of the Mandarin aspectual markers *-le* and *-guo*. Paper presented at the *33rd CUNY Conference on Human Sentence Processing (CUNY-33)*. University of Massachusetts Amherst, Amherst (Massachusetts), USA. (Online presentation due to the COVID-19 outbreak) (poster)
- Collart, A. (2019, October). Temporal relations electrified: An ERP study on the perfective marker *-le* in Mandarin Chinese. Paper presented at the *20th National Conference on Linguistics (NCL-20)*. National Chiao Tung University, Hsinchu, Taiwan. (talk)
- Collart, A. and Chan, S. (2019, March). Aspect is distinct from time reference: An ERP study of the perfective marker *-le* in Mandarin Chinese. Paper presented at the *32nd CUNY Conference on Human Sentence Processing (CUNY-32)*. University of Colorado Boulder, Boulder (Colorado), USA. (poster)
- Collart, A. (2018, October). Same interpretation, different process? The case of verbal *-le* and *you+VP* in Taiwan Mandarin. Paper presented at the *17th International Conference on the Processing of East Asian Languages and 9th Conference on Language, Discourse, and Cognition* (joint conference ICPEAL 17 – CLDC 9). National Taiwan University, Taipei, Taiwan. (talk)
- Collart, A. (2018, May). When time is a fact: A semantic and time-relational analysis of ‘you + VP’ in Taiwan Mandarin. Paper presented at the *19th Chinese Lexical Semantics Workshop (CLSW-19)*. National Chung Cheng University, Chiayi, Taiwan. (talk)

- 受邀學術演講 **Invited talks (selected)**

- Collart, A. (2025, March). Formosan languages and experimental linguistics: An introduction. Invited talk/lecture at the Department of Indigenous Language and Communication, National Dong Hwa University, Hualien, Taiwan.
- Collart, A. (2025, March). Language, cognition and the brain: How to open the ‘black box’. Invited talk/lecture at the Department of Indigenous Language and Communication, National Dong Hwa University, Hualien, Taiwan.
- Collart, A. (2024, December). Grammar and time in contrast: A case for multidisciplinary research. Invited talk (onsite and simultaneous online option) at the Research Center for Humanities and Social Sciences, Academia Sinica, Taipei, Taiwan.
- Collart, A. (2024, June). Variations linguistiques régionales : Etudes de corpus et recherches psycholinguistiques sur la structure ‘you (avoir) + verbe’ dans le mandarin de Taiwan. Invited talk at the *Journées des jeunes chercheurs CEFC-EFEO*, Academia Sinica, Taipei, Taiwan.
- Collart, A. (2024, March). Psycholinguistics, neurolinguistics and Formosan languages. Invited talk/lecture at the Department of Indigenous Language and Communication, National Dong Hwa University, Hualien, Taiwan.
- Collart, A., Wu, J. J., and Huang, L. M. (2023, December). Review of indigenous language teaching and beyond in Taiwan: The race against time. *Frontiers of Formosan Linguistics: Symposium Showcasing Latest, Collaborative Findings*. National Dong Hwa University, Hualien, Taiwan.
- Collart, A. (2023, November). Experimental linguistics embracing linguistic diversity: On the contribution of Formosan languages to models of sentence processing. *Frontiers of Formosan Linguistics: Symposium Showcasing Latest, Collaborative Findings*. Academia Sinica, Taipei, Taiwan.
- Collart, A. (2023, November). From language learning to technology-based linguistic investigations: Applications to language teaching. Invited talk/lecture at the Language Center of National Chung Hsing University, Taichung, Taiwan.
- Collart, A. (2023, November). What if the Tower of Babel was a gift? On the importance of linguistic diversity in language processing research. Invited talk at the Department of English, National Taiwan Normal University, Taipei, Taiwan.
- Collart, A. (2022, December). Le village paiwan de Tuban Tjuabal ou la croisée des chemins entre la linguistique de terrain et la linguistique expérimentale [The Paiwan village of Tuban Tjuabal or the crossroad between field linguistics and experimental linguistics]. Invited talk at the *Journées des jeunes chercheurs CEFC-EFEO*, Academia Sinica, Taipei, Taiwan.
- Collart, A. (2022, November). Processing past time reference in a tenseless language: An ERP study on the Mandarin aspectual morphemes *-le* and *-guo*. Invited talk/lecture at the Institute of Linguistics, National Tsing Hua University, Hsinchu, Taiwan.
- Collart, A. (2022, November). What can formal linguistics bring to neurolinguistics? Examples from temporal concord processing in Mandarin. Invited talk at the Department of English, National Taiwan Normal University, Taipei, Taiwan.
- Collart, A. (2022, October). Towards an extended neurolinguistic model of the processing of TIME in Mandarin: Bridging linguistic analyses and neurocognitive. Invited talk as the recipient of the Linguistic Society of Taiwan Thesis of the Year Award at the *23rd National Conference on Linguistics (NCL-23)*, National Chengchi University, Taipei, Taiwan.

	● 科普分享 Talks and interviews for popular science Chan, S., & Collart, A. (2025, June). 大腦的小題大作 [The brain's drama]. Invited talk at 語生俱來語言學科普工作坊 [Workshop for popular science of linguistics], Department of English, National Taiwan Normal University, Taipei, Taiwan. Collart, A. (2025, May). <i>The art of language in film</i>. Invited talk at the Department of Chinese, National Taiwan Normal University, Taipei, Taiwan. Collart, A. (2025, April). <i>Discovering another part of France through music</i>. Invited talk at the Department of Chinese, National Taiwan Normal University, Taipei, Taiwan. Collart, A. (2025, April). <i>Romantic journey: French teacher with Eastern languages</i>. Invited talk at the Department of Chinese, National Taiwan Normal University, Taipei, Taiwan. Collart, A. (2024, April). Interview for the radio program <i>L'auxiliaire avoir en chinois, ça vous parle?</i> [The auxiliary verb 'to have' in Chinese, does it ring a bell?]. Radio Taiwan International, Taipei, Taiwan. https://fr.rti.org.tw/radio/programMessageView/programId/1477/id/110575. Collart, A. (2024, April). Intervention in the radio program <i>Transmission des langues autochtones</i> [Passing indigenous languages]. Radio Taiwan International, Taipei, Taiwan. https://fr.rti.org.tw/radio/programMessageView/id/110519. Collart, A. (2022, October). Series of interviews for the podcast <i>Taiwan dans toute sa diversité</i> [Taiwan in all its diversity], focus on two topics: The diversity of Formosan languages, and neurolinguistics in general. Radio Taiwan International, Taipei, Taiwan. https://fr.rti.org.tw/radio/programView/id/1579.
4. 服務 Service	● 期刊論文及專書論文審查 Review for journal manuscripts and book chapters <i>Acta Psychologica</i> (2023) <i>Handbook of Formosan languages: The indigenous languages of Taiwan</i> (2022) <i>International Journal of Taiwan Studies</i> (2023) <i>Interpreting</i> (2023) <i>Language and Cognition</i> (2024, 2025) <i>Language and Linguistics</i> (2023) <i>Oceanic Linguistics</i> (2022) <i>Translation and Interpreting Studies</i> (2024) <i>New Mathematics and Natural Computation</i> (2024) <i>Second Language Research</i> (2024) <i>Social Sciences & Humanities Open</i> (2025) ● 學會言討論論文審查 Review for conference abstracts and papers <i>AMLaP</i> (every year since 2024) <i>CogSci</i> (every year since 2024) <i>Human Sentence Processing (HSP)</i> (every year since 2023) ● 學位論文口試委員 Thesis/dissertation oral defense committee member

	Wang Chi-Yao (2022). <i>Apprendre les langues étrangères à Taïwan : Une comparaison des ressources pédagogiques du français et du puyuma</i> [Learning foreign languages in Taiwan: A comparison of pedagogical resources of French and Puyuma]. MA thesis, Department of French and Language Culture, Fu Jen Catholic University.
5. 校外榮譽 Honors and awards	2024年度中央研究院博士後研究學者 (學術表現傑出能獨立進行研究計畫者) 2024 Academia Sinica Postdoctoral Scholar appointment (based on research excellence and capacity to run a research project independently) 2022年度臺灣語言學學會最佳博士論文獎 2022 Best Ph.D. dissertation award of the Linguistic Society of Taiwan 2022年中華民國斐陶斐榮譽學會榮譽會員 Member of the Phi Tau Phi Scholastic Honor Society of the Republic of China (2022)
